The terms of use of our borders constitute agreement with the following terms: Free Borders Free Borders can be used for personal, educational and charitable purposes. If you're using a free version of the border, the watermark should remain visible. You can't cover it with text, graphics, etc. If you prefer not to have a watermark, you need to buy a premium version. Commercial use of Premium Borders Limited is permitted for premium (paid) versions of the border. Commercial use is permitted under the following conditions: You may use borders to create leaflets or other items for your business provided that these items will be given away free of charge (e.g. flyer, form, etc.) or used internally in your business. You can't charge money for any work created with borders. You cannot resale or distribute digital files for borders. Limitations of support When you purchase a border, you only buy files for the border. We can't help editing borders, troubleshooting printer problems, or help with any similar problem. To resolve these issues, you must do things like search Google or contact printer or software support.
